LHS PTSA Student Directory

The Lexington High School Student Directory is a valuable resource for families. It contains teachers' extensions and email addresses and helps students and parents stay connected with the LHS community. To obtain a directory you must join the PTSA.

Parents **MUST** give permission to print their student's phone number and address in the Lexington High School Student Directory; otherwise this information **WILL NOT** be published. The PTSA is required to obtain parental permission for each child entering LHS, even if permission has already been given for older siblings. Once permission is given for a child, it is in effect for the duration of the time that child is at LHS.

The Directory/Membership form is on the other side. Please fill out the requested information, sign the form, and return as soon as possible.
